

Reverse Advent Calendar for Bridgwater FoodBank

Can you help us at Bridgwater FoodBank with an alternative take on the advent calendar?

We are asking you to set aside a box (at home or at work) and then from the 1st of December until Christmas Eve simply donate an item from our shopping list to the box. Then, after Christmas, bring your advent calendar along to our distribution centre on Thursday the 5th of January 2017 between 1 - 3 pm at the Mount Street Day Care Centre.

Your gift then will be given to our neighbours in crisis and support them and their families with emergency provisions for three days.
